exido

240-100 Sweeper

Suitable for almost any task – without the need for cables, bags or filters!

- The motor powered brush-roller system removes dust, dirt, food scraps - even nails and metal clips - into the collection tray
- The brush at the side gets into corners and along panels
- 3-part telescopic tube with 360° coupling to the motor section for excellent manoeuvrability
- Rechargeable NiMH 7.2V battery
- Fully charged, the sweeper can run for around 30 min
- The collection tray is easy to empty and clean
